

Event Measurement Form

Initial Fitting: Visit your nearest Savvi Formalwear member for your Savvi Certified tuxedo fitting at least one month prior to the event. For a Savvi member near you, visit savviformalwear.com or call 888-NICE-TUX. If you are unable to visit a Savvi member, most formalwear dealers will provide complimentary measurements. A proper fitting is based on the quality of the measurements taken, so please do not substitute your suit sizes for a professional fitting. Bring this form when you get measured, and ask the specialist to complete the information in the box below.

Submit Measurements: Visit savviformalwear.com to submit your measurements online. Or you may fax your measurements to the location where the bride is registered. Please note: orders require credit card information. Special discounts offered to the wedding party are not available for measurements received after the measurement deadline.

Final Fitting: Please try-on your tuxedo on your scheduled pick-up date, usually two days prior to the wedding. This is considered to be a final fitting, and adjustments or re-orders may be necessary. Please allow enough time so that we may provide the best fit for your garments. I.D. is required to pick-up your tuxedo. No out-of-state checks will be accepted for final payment.
